Graffiti – Style Writing

We create artistic letters, alphabets and lettering - including spray painting.

For children from 11 years or adults

Group up to 10 persons

Language: English, German

Graffiti – B-Boy Character

Fancy some great lettering with B-Boy character? In the workshop we draw and spray in this style!

For children from 11 years or adults

Group up to 10 persons

Language: English, German

Graffiti – Bubble Style

With marker and can we draw and spray the infamous letters with their bulbous and round shapes.

For children from 11 years or adults

Group up to 10 persons

Language: English, German

Graffiti – Stencil

Stenciling is also a great way to spray: we draw and cut out our own shape, then bring it to life with bright colors.

For children from 12 years or adults

Group up to 10 persons

Language: English, German

Calligraffiti

Between calligraphy and graffiti, we develop our own and personal typography here.

For children from 11 years or adults

Group up to 20 persons

Language: English, German

Stickers

Create great stickers yourself! We make that possible in this workshop.

For children from 12 years or adults

Group up to 20 persons

Language: English, German

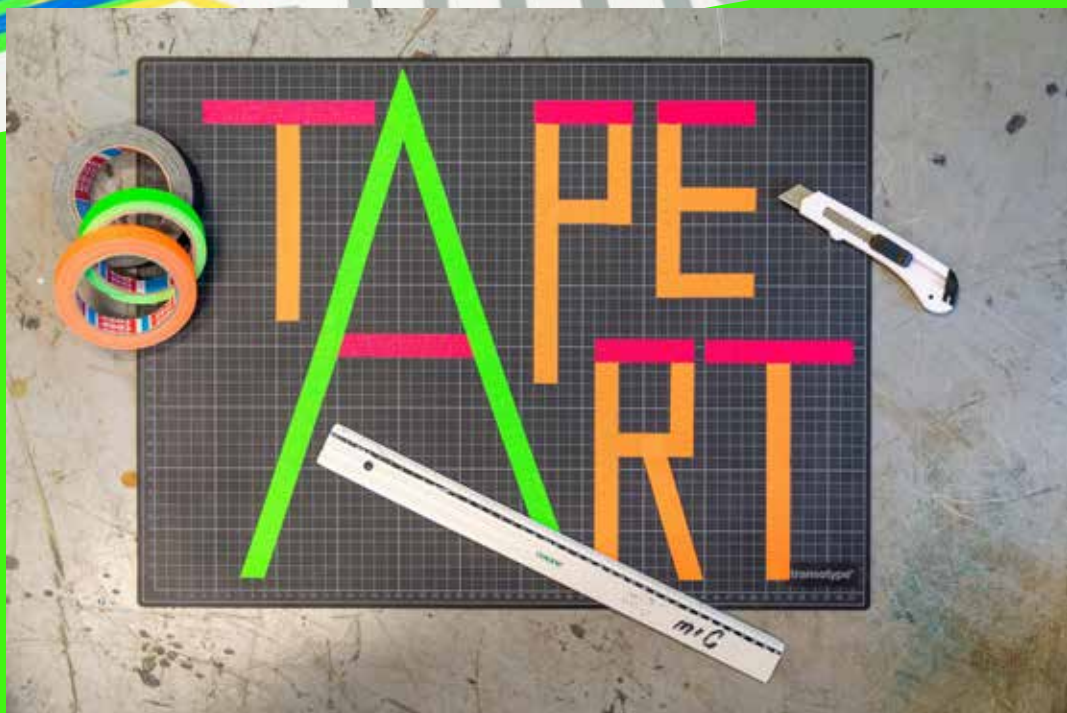

Tape Art

Also with tape we develop in this workshop creative compositions, abstract or figurative, on a wooden base - here you can bring your own notebook.

For children from 12 years or adults

Group up to 20 persons

Language: English, German or Dutch

Template Creative Design

We design the coloring template of URBAN NATION to try a variety of techniques: Marker, acrylic, pastels, watercolor-pastels, collage and scratch are just a few examples.

For children from 9 years or adults

Group up to 20 persons

Language: English, German or Italian

That's me

In a sketchbook we draw our favorite characters, -graffiti, -art fonts in the exhibition LOVE LETTERS TO THE CITY. Using cardboard stencils, we then design a house wall with individual bricks: they serve as a background for the collected drawings or for a comic.

For children from 8 years or adults

Group up to 20 persons

Language: English, German

Pattern making + Paper Cut

We make our own pattern papers from colored papers, ink and all kinds of tools. We then use them to create abstract collages and pictorial cityscapes. We will be inspired by Matisse and modern paper artists.

For children from 14 years or adults

Group up to 10 persons

Language: English, German

Screen printing with stencils

We discover the manual technique of screen printing with stencils. Templates are designed together and printed on paper.

Feel free to bring your own T-shirts for this!

For children from 12 years or adults

Group up to 10 persons

Language: English, German and Polish

Framework conditions

All workshops are led by artists from the Berlin art scene.

At each workshop you will create your own piece of art to take home with you.

Please note that clothes can get dirty - please wear insensitive clothing.

For graffiti workshops, the spray work will be done outside (possible even in the rain due to covered area). Masks are also available for this purpose.

Registration up to three months before the desired date and cancellation at least 9 days before the workshop date. Otherwise, the workshop costs must be paid.
